A Place You Can Call Home

April 14, 2024

Our Bible study on Sunday nights and Wednesday nights in the Book of Ephesians is coming to a close and soon we will be starting a new study which will be on Biblical numerology.

Biblical numerology is the study of how numbers are used in Scripture and what they reveal about God, His character, His will and much more.

Isaiah 40:25-26 - To whom then will ye liken me, or shall I be equal? saith the Holy One.

²⁶ Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number: he calleth them all by names by the greatness of his might, for that he is strong in power; not one faileth.

It is interesting to note that, on average, one in every five scriptural verses contains a number.

I hope you will come join us in this amazing study of Biblical Numerology.

New Church Directory

Praise the Lord, we are in new of a new church directory! Soon we will begin making pictures for our new Church Directory. In this new directory, not only will there be pictures but also anniversary dates, birthdays and contact information. Soon you will be receiving an information sheet that we are asking you to fill out so we can include this with you and your family's picture.

I praise the Lord that Lakeview Baptist Church supports Missions both here at home and abroad.
