A Place You Can Call Home

April 28, 2024

Ephesians 5:19-20 - Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ;

As many already know, the melody of our heart as we praise and sing is directed to the Lord ... but did you know that our words of praise and song are not only to Him but also to our fellow believers? You see, our praise and songs also are to each another!

Think about it ... your praise not only lifts the Lord, it also lifts those around you!

That makes our praise and singing so important! So, don't hold back your praise and song as the Lord wants to hear it and someone around you needs to hear it.

Just Praising Jesus ... Bro. Leroy
