A Place You Can Call Home

May 5, 2024

It is so good to see you this morning! I pray that our gathering together today be ...

- *A beacon of light, shining the love and grace of God to all.*
- *That all feel welcomed with open arms and hearts.*
- *That our worship service be filled with joy, wonder, and awe as we lift our voices in praise and adoration of our God.*
- *That our gathering be a place of healing and restoration, where the brokenhearted find comfort and the weary find rest.*
- *A time of spiritual growth and transformation.*
- *A time of deep spiritual renewal and revival, as the Holy Spirit moves in power and brings new life to all who seek Him.*
- *A time of celebration and thanksgiving, as we rejoice in the blessings of God and give thanks for all He has done.*
- *A time of hope and vision.*
