A Place You Can Call Home

June 9, 2024

Today is a very special day!

Today we celebrate Kate following the Lord Jesus Christ in believers' baptism. As most of you already know, Kate asked the Lord to save her at Kaitlynn Latham's graduation! What an experience that was!

Kate, I hope you already know how much you are loved and are such a blessing to the Lakeview family!

Miracles are when God intervenes in the laws of physics and performs the impossible!

God is still alive and seated on His throne, The love that God as for us all will not stop the hand of God from performing miracles in our lives.

Miracles are a primary testament to the truth that God is on His throne.

It is important to remember - that man does not perform miracles! ... It is the Lord

Today, we are going to hear & witness a miracle from God that He performed and changed so many lives!

Vacation Bible School - June 16th– 20th

6:00 – 8:15 PM each night.

Meal will be ready at 5:00 PM each night

At Breaker Rock Beach, kids will learn to recognize the difference between what the world says is true and what God says is true.

Kids will be challenged to know that God's truth never changes—even when it is radically different from what some people say.

They will discover that God does not want them to be conformed to this age, but to be transformed by the renewing of their minds so that they can discern what is the good, pleasing, and perfect will of God.

Adventure awaits each day for the kids.

The mighty waves crash up against the immovable Breaker Rock!

VBS offerings will be given to St. Jude's hospital.

If you are ready to invest in our Children in our 2024 VBS, please see Sarah Welker or Brittany Watts.

WELCOME TO THE

KATE HEDGE LBC FAMILY!
