A Place You Can Call Home

June 30, 2024

Last Sunday I started a series of sermons concerning salvation defined by the Word of God. I encourage you, if you were not here last Sunday, to see Gary Parker and get a copy of last week's sermon as this sermon picks up where I left off from last week.

- *The Requirement for Salvation - Except a man be born again, he cannot see the kingdom of God*
- *The Method of Salvation - And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life*
- *The Results of Salvation - For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved*
