The Value of Doctrine ... 36 times the importance of doctrine is stressed in scripture, and this is only the times that the word doctrine is used.

There are many, many more times that the concept of sound doctrine is stressed by God throughout scripture. When something is stressed twice, this is intended to be an emphasis on its importance. If something is stressed 36 times, how can anyone say that it is not important? Not only can we see that it is important, but we can see that this is critical.

I would love for you to join us on Sunday evenings at 5:00 PM and Wednesday nights at 6:00 PM as we begin a study on the Biblical Doctrines on the Scriptures – God – The Trinity – Salvation – Regeneration – Justification – Sanctification – The Church – Sundays - Marriage and much more.

It all begins this evening at 5:00 – 6:00 PM

EXPERIENCING GOD REVIVAL FOR ALL AGES

October 10th – 13th

Proverbs 27:17 - Iron sharpeneth iron; so a man sharpeneth the countenance of his friend.

During VBS this year, we men met outside and it quickly turned into men sharing spiritually which led to men drawing closer to each other.

Now, the men who experienced this powerful time during VBS want it to grow for all the men of the church.

Thus, we are dedicating one hour each Sunday afternoon meeting at the altar to share spiritually and like last time to see where the Holy Spirit leads.

*Again, we want all men to come and experience **Iron Sharpens Iron.***

It all starts this Sunday afternoon at 4:00 PM ... hope to see you there!
