*A Place You Can Call Home*

**October 20<sup>th</sup>, 2024**

*We live in a time that could not only be added to the list of world-changing events, but which is firmly implanted at the top! We are soon going to experience the rapture of the church which must happen for the Tribulation to begin. The denial of the rapture and the rejection of the Israel of today as being Biblical Israel are also indications that summer is near. The fig trees in the Middle East bear fruit in the spring and late summer, and the latter of the two timeframes parallels when all Israel will believe in Yeshua as Messiah (Zechariah 12:10).*

*We live in a time when our Bible confidence should be at an all time high. We have seen more prophetic fulfillment than any generation before us.*

*This should put everything in its proper place by comparison, because the world is about to experience an unprecedented world-changing event. And for us, that change will quite literally be out of this world! I hope you are ready!*

*Bro. Leroy*
