A Place You Can Call Home

December 15th 2024

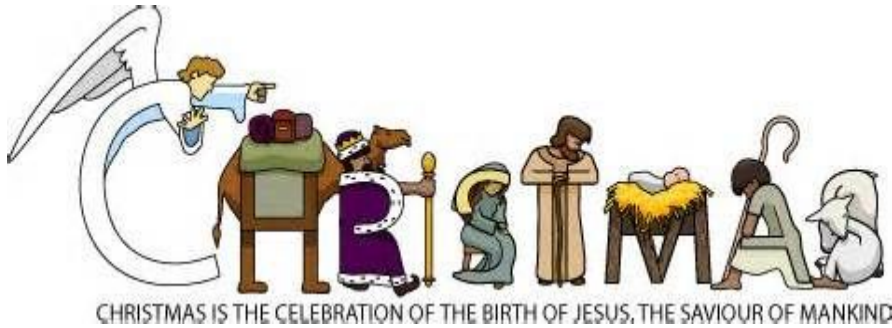

What a fun time we had together last Sunday night. It was so good to just have some time to fellowship, play games, laugh with and at each other, and get to know each other personally.

We learned that when Bro. Sam retires, he and Ms. Paula are going to get to know each other better! And that I am praying that Johnathan doesn't get cold this winter (haha) ... if you don't get those two statements, ask someone who was there last Sunday night and they will explain it to you.

I'm already looking forward to the next time that we can spend together like that!

This evening is going to be another special time as we go take the Christmas Spirit of love and sharing with some special people. I hope you are going to stay after church as we go downstairs and enjoy a quick lunch, then load up and go!

Leroy

After the morning worship, we will be going downstairs and having lunch.

Right after lunch, we will load up on the bus and go Christmas Caroling and giving Christmas Love Baskets.

We have some special people to whom we will go and present them with a Christmas Love Basket and sing Christmas Carols to them.

This is always a special time of sharing the Christmas spirit with some people who need to know they are loved and cared about.

We encourage everyone who is going to dress warm as it could be cold.

I hope you are going to stay and be a part of this awesome evening.
