A Place You Can Call Home

February 2nd 2025

The Supreme Court, for example. But what is the ultimate supreme authority on earth? It is God and His Word. The teachings of the Bible are true and authoritative, and they're wiser than the rules of men, the laws of congress, the opinions of politicians, or the ideologies of universities.

To truly reform our world, we must return to the Word of God as the ultimate authority. If we're going to return our families to hopefulness and our churches to revival, it will be on the basis of the authority of Scripture. If we're going to solve societal problems, it must be through the application of the wisdom of God's Word. Another words, We accept the supremacy of Scripture because we accept the supremacy of its author.

Church, it begins with us. Is the Word of God the supreme authority over our life, governing all our attitudes, works, actions, and habits.

Excited to share our Supreme God's Word with you this morning!

Bro. Leroy
